

Donate Blood In Memory of

Mrs. Donna Leimeister

Donna Leimeister was the face of Edison Elementary School for many years. She was dedicated to the care of the students and staff. She had a compassionate heart for each and every person that came through the doors of the elementary building. Donna was more than a coworker to many - she was a personal friend and would do anything for her loved ones. In honor of the blood donations, she received throughout her journey, we are having this blood drive in her memory!
